Note: This takes place during season four when Angel was off somewhere not being evil.

Finally, there he was, Xander Harris balls deep in Willow. His long time crush has finally been realized. This is a great day, but it finally gets better when he hears Buffy come over and say, "hey, save some room for me." She comes over and strips off her panties and sits right on his face. This is the best day of Xander's life. Buffy opens her mouth and says "bzzzzzzzzzz."

Sigh. Xander wakes up hard, next to his still sleeping girlfriend, Anya. He does care for Anya, but he is starting to wonder if their relationship is going to work out. Still horny from his dream, Xander rolls over and starts to kiss Anya, but she rebuffs him, wanting to go back to sleep. Sighing again, Xander wakes up and takes a shower, his balls hurting from the lack of sex.

Xander dresses and packs his bags. He has a flight to New Jersey today. Apparently a Hellmouth or something has opened up in Mount Laurel, New Jersey so Xander and his friends need to go there and close it before it can become entrenched.

On the plane, Xander finds himself wedged between Buffy and Willow, reminiscent of his dream. Xander wants to chat, but Willow and Buffy want to talk about the mission on hand. Buffy mentions the Hellmouth again and how she is sure that Willow will be useful.

"What about me," Xander asks?

"Oh, Xander, I'm sure we'll find something for you to do."

"Yeah, go get the doughnuts," Xander mumbles under his breath. The movie comes on then, but it is "Daddy Day Camp," so Xander prefers to nap, sinking back to his dream where Buffy and Willow are his obedient sex slaves. Oooh, Buffy is wearing a leather thong!

The plane touches down in New Jersey without incident and the gang rents a van. Xander drives them to Mount Laurel. Buffy and Giles seem especially apprehensive for some reason, but Xander thinks everything will be ok.

And then they arrive. As they are getting their bearings, the group sees another group of people off in the distance and starts heading there to investigate.
