Normal Dodge: 5 Move: 5
Judo Dodge: 8
Basic Damage (Not Judo)
Swing: 1D Thrust: 1D-2

Max: 10

ADVANTAGES

- Natural leader
- Collected
- Composed
- Strong will
- Fearlessness
- Alternate Identity

DISADVANTAGES

- PACIFIST
- IMPULSIVENESS
- REPUTATION (AS A HACKER, KNOWN TO AUTHORITIES)
- EVIL TWIN
- SECRET
- CURIOUS NATURE
- CAN NOT HARM INNOCENTS
- SENSE OF DUTY

SKILLS

- Computer hacking: 15
- Computer operation: 20
- Computer programming: 19
- Cryptanalysis: 15
- Cryptography: 15
- Judo: 12
- Knife throwing: 10

Secret: You changed your Identity because of your hacking life. The FBI were very close to catching you. The result was the FBI mistook your evil twin for you after you changed your identity. Your evil twin was arrested but escaped and now he wants revenge.

Sense of Duty: When given a task or mission you do not stop until you have completed it no matter what the cost or what the circumstances are. You have a compulsion for completion.

Notes: You are about 25 years old and you have a normal appearance and lead a fairly dull normal life on the surface (think Neo in the Matrix). You have no distinguishing visual traits and live in a comfortable apartment in a nice area. *Yawn*

Your thoughts on the other characters:

Ophelia Grosskopf:

YOU REALLY LIKE HER, IN A PURELY PLATONIC WAY. SHE IS THE PERSON YOU CONNECT WITH THE MOST. YOU ARE BOTH MISUNDERSTOOD AND TRYING TO MAKE IT IN THE WORLD IN YOUR OWN WAYS. YOU AGREE WITH HER PACIFIST NATURE AND ARE IN AWE OF HER INNATE ABILITIES, ALTHOUGH SOMETIMES THEY SCARE YOU. YOU THINK SHE NEEDS TO BE PROTECTED FROM HERSELF. ASIDE FROM THE WORRIES YOU HAVE ABOUT HER YOU ALSO FIND HER FUNNY, ITS AMUSING WHEN SHE CANT FIGURE OUT HOW TO PUT ON THE KETTLE BUT THEN SHE CAN TELL YOU EXACTLY THE AMOUNT OF WATER THAT CAN BE HELD IN IT JUST BY LOOKING AT IT. THAT'S INTUITIVE MATHEMATICIANS FOR YOU!

XAN PHEOBEI:

HE'S A TROUBLED, TROUBLED MAN. HIS QUEST TO KILL THE UNDEAD REALLY DRIVES HIM, YOU'D THINK IT WAS A GOD GIVEN MISSION OR SOMETHING. YOU HAVE NEVER EVEN SEEN ANY UNDEAD BUT HE SURE HAS A GOOD CASE FOR MAKING YOU BELIEVE IN THEM TOO, NOT THAT YOU'VE EVER QUESTIONED HIM ABOUT IT. BUT HIS FAITH SEEMS SO STRONG, NOT JUST IN WHAT HE DOES BUT IN GOD AS WELL. HE IS A STRONG PERSON BOTH PHYSICALLY AND MENTALLY AND YOU RESPECT HIM, IF ONLY HE'D LIGHTEN UP A LITTLE.

CHARLES KANT:

HE'S A DOWN TO EARTH AND ALL ROUND NICE GUY. YOU'VE KNOWN SO MANY WEALTHY PEOPLE WHO TREAT EVERYONE ELSE BUT THEIR "OWN KIND" LIKE DIRT. HE ON THE OTHER HAND IS THE OPPOSITE, TO LOOK AT HIM YOU WOULD THINK THAT HE IS STYLISH AND TALKING TO HIM YOU WOULD THINK THAT HE IS MIDDLE CLASS BUT NOT ""RICH"". IT'S A GOOD THING THOUGH AND YOU GET ON WELL WITH HIM.

General John Nelerag:

HE JUST CAN'T LET GO. HE REALLY SHOULD FACE UP TO REALITY AND REALISE THAT HE'S NOT IN THE MILITARY ANYMORE. ALCOHOL SEEMS TO BE HIS ONLY ESCAPE, THE POOR GUY, BUT HE IS DANGEROUS. SOBER MOMENTS SEEM TO BE RARE FOR HIM AND WHEN YOU OWN A BIG SHINY GUN ITS NOT AND EXPERIMENT YOU WANT TO SEE THE RESULTS OF. HE'S LIKE A BRIDGE WITH TOO MUCH WEIGHT AND TENSION ON IT; EVENTUALLY ITS GOING TO SNAP AND EVERYTHING WILL FALL TO THE ABYSS BELOW.

Julia Mosait:

She doesn't seem to care about much and is very self involved. She likes to show off; waving that stick of hers and she seems to think that she is God incarnate since she arrived home from Tibet. She's a really nice person except she needs to be a little bit more responsible or she's liable to get herself or someone else killed all for the sake of her pride.

Swing: 1D-2 Thrust: 1D-3

ADVANTAGES

- Luck
- Danger sense
- Eidetic memory
- Hard to kill
- Enhanced dodge
- Hyper reflexes (we're talking matrix type dodging here)
- Intuitive mathematician (ANY calculation in head)

DISADVANTAGES

- Cowardice
- Gullibility
- Insomniac
- Oblivious
(Has trouble in social situations and cant figure out really obvious things)
- Indecisive
- Pacifist
- Stuttering

SKILLS

- Pressure Secrets: 14
(Puts the Vulcan neck pinch to shame)
- Chess: So high its not even funny
- Philosophy: 14

NOTES

YOU CAN'T REMEMBER WHERE YOU CAME FROM OR ANYTHING ABOUT YOUR CHILDHOOD OR PARENTS BUT YOU KNOW THAT YOU ARE ABOUT 20 YEARS OLD. YOU DO NOT HAVE A JOB AND GET YOUR MONEY BY PREDICTING THE LOTTO NUMBERS, ALTHOUGH YOU DO NOT LIKE TO ABUSE THIS POWER. YOU ARE VERY NERVOUS AND USUALLY UNWILLING TO DO ANYTHING THAT WILL GET YOU INTO TROUBLE. YOU CARRY A BATTERED COPY OF DANTE'S INFERNO EVERYWHERE AND BELIEVE IN IT LIKE A BIBLE. YOU ALSO CARRY A PHILOSOPHY TEXTBOOK EVERYWHERE.

YOU HAVE A FAIRLY NORMAL APPEARANCE, BUT YOU WOULDN'T BE CLASSED AS "FASHIONABLE". PEOPLE THINK YOU'RE A BIT WEIRD IF THEY TALK TO YOU AT ALL.

Your thoughts on the other characters:

Cash Riverrode

I love Cash. He sees me for what I truly am. He's like the Angel Gabriel. He's got the Wisdom and eloquence of Virgil and the insight of Dante himself. He's the only person I truly trust.

Xan Pheobei

He is on a strange path. It is difficult to decide whether good or evil guides him. He may end up deep in the river Plethegon or he may be in the court of the highest of Angels. Either way his strong faith will determine his path, but I don't think even he knows what that is yet.

Charles Kant

He's ok, a moral person but its difficult to see where his loyalties lie.

General Nelerag

He's ok, but Cerberus may be his eternal companion.

Julia Mosait

She's ok, but careless behaviour may be punished by a higher power.

Hyperactive hangover: You can knock drinks back like there's no tomorrow, knowing that there will be. When you wake up instead of having a thumping headache you will be HYPER-hyperactive. Within three hours you will have calmed down but won't remember anything about that morning. This by the way does in no way deter you from alcohol.

Notes

YOU ARE THE MOST STYLISH MEMBER OF THE GROUP. YOU ARE CLEAN CUT AND WEAR SIMPLE BUT STYLISH CLOTHES, USUALLY BLACK LIGHT WOOL JUMPERS AND SO ON. YOU ARE NOT IGNORANT IN ANY WAY AND YOU DO NOT IMPOSE YOUR HIGHER CLASS OR WEALTH UPON ANYONE ELSE. YOU ARE FAIRLY LIKEABLE AND VERY SOCIABLE AND YOU KNOW HOW TO MIX PROPERLY WITH YOUR PARENTS ARISTOCRATIC, IGNORANT, STATIC FRIENDS WHEN NEED BE. HOWEVER, YOU ARE MUCH MORE COMFORTABLE AT A COLLEGE PARTY THAN A MANSION ONE. SHINY THINGS ATTRACT YOU, ESPECIALLY OTHER PEOPLES. YOUR WEAPONS ARE TWO BERETTAS BUT IF ONLY YOU COULD GET YOUR HANDS ON A FLAME-THROWER OR TWO...

Your thoughts on the other characters:

Cash Riverrode

Cash is a really nice bloke, the stuff he can do with computers is just crazy. I wish I could do stuff like that. That's how I feel now but when I was younger I used to hate nerds like him, still he's one of my better friends.

Xan Pheobei

Xan is cool, his sword just rocks. I bet he'd love to start a few fires with those undead he keeps going on about. I've got to see if I can get one of those shiny weapons off him (heeheehee!)

Ophelia Grosskopf

She's nice enough I suppose, a bit weird though. Why she carries that book of hers everywhere and keeps on ranting about hell I'll never know but her head seems like a strange place.

General Nelerag

Woooooooosss. Oh man, he can't hold his drink to save his life!!!! The amount of times he's fallen over after having just 15 spirits is just ridiculous. At least he's got the guts to come back and be trounced in ANOTHER drinking competition. You've got to respect him for that.

Julia Mosait

She's yummy. If she wasn't so stuck up I could really get to like her. Still, she's not as bad as my parents, so we'll see what happens.

Notes

You are a big, burly, intimidating black guy who was dishonourably discharged for gross incompetence and negligence, (hiding vodka in the cockpit, etc.) but you still think you're in the military. True to military form nothing amuses you. You still wear your uniform every day and wear large mirror sunglasses. You have some friends still in the military and a few other scattered contacts.

You own a S&W .375 Magnum and you are *very* proud of it.

Your thoughts on the other characters:

OPHELIA GROSSKOPF

SHE'S JUST A WEIRD WOMAN. THAT HELL STUFF ISN'T THE TYPE OF STUFF A YOUNG WOMAN LIKE HER SHOULD BE READING. SHE SHOULD JUST GET HERSELF A MAN AND SETTLE DOWN AND QUIT THE WEIRDNESS.

CASH RIVERRODE

CASH IS A NICE GUY AND ALL BUT HE'S A BIT OF A NERD. A YOUNG MAN LIKE HIM SHOULDN'T BE SITTING AROUND AT A COMPUTER ALL DAY, NO, HE SHOULD GET OUT AND GET SOME EXERCISE. HE NEEDS TO GET HIS BLOOD FLOWING AND HAVE A GOOD TIME ONCE IN A WHILE. ILL BET HE'S NEVER EVEN BEEN DRUNK.

Charles Kant

THAT BOY SURE CAN DRINK. I THINK I'VE BEATEN HIM AT IT ONCE BUT I CAN'T REMEMBER ANYTHING ABOUT IT. I WISH WE HAD A GUY LIKE HIM BACK IN THE BARRACKS. SOME OF THOSE PUSSY'S THERE COULDN'T DRINK TO SAVE THEIR OWN WORTHLESS LIVES. HE'S GOT MY RESPECT FOR DANM SURE ANYWAY

XAN PHEOBEI

Now theres a fighter. He reminds me of what I was like in my youth. He takes no crap from no one. You insult him and you sure as hell are going to know about it. I just think he could do with using his gun a bit more often and not go waving' round those big swords of his so much. He should also quit talking about all those undead monsters he thinks he's hunting or people are going to think he's queer or something. He's a good Christian boy, he's got my respect

Julia Mosait

She needs some discipline. Don't get me wrong now, she's a good fighter. She handles that stick of hers pretty damn well, but she's too mouthy and impulsive. We had a few like her back at the barracks; it didn't take them long to fall in line. Discipline; that's all she needs.

- Staff/Spear/Stake: 13
 - Stake Damage: 1D
- Katana: 15
 - Katana Dmg: Swinging: 1D+half
 - Thrusting: 2D

Notes

YOU ARE EXTREMELY BEAUTIFUL AND WOMEN FLOCK TOWARDS YOU BUT YOU HAVE NO INTEREST IN PURSUING A RELATIONSHIP AND ARE ACTUALLY SCARED OF INTIMACY. BESIDES, YOU SPEND TOO MUCH OF YOUR TIME HUNTING THE UNDEAD AS THIS IS YOUR PURPOSE IN LIFE AS TOLD TO YOU BY SOME DIVINE POWER. YOU ASSUME ITS GOD.

You usually dress in a brown leather full-length trench coat, which conceals your weapons and the stakes strapped to your thighs. You wear a cross around your neck of course, but funnily enough you do not attend church. Despite this you treat your faith "very" seriously.

You have a large cache of weapons both melee and firearms. Your weapons of choice are the Katana, a staff or stake, a Desert Eagle automatic weapon and a Colt Python revolver. You are very focused and you do not engage in needless chatter.

Your thoughts on the other characters:

OPHELIA GROSSKOPF

She should really stop messing with things that she doesn't understand. Her fascination with the inferno both intrigues me and scares me at the same time. She seems so sure that she knows everything about it. This can only turn out badly. Caution must be exercised when dealing with her. She may be dangerous.

Charles Kant

He is weak willed but none the less a nice guy. I cant help feeling friendly towards him but he needs to be watched. If he's not careful he may be swayed towards an evil path at which time I must redeem him. I do not want to hurt him so I will protect him.

Cash Riverrode

OF ALL THE PEOPLE IN THIS LITTLE CLIQUE OF OURS HE IS THE ONE THAT I TRUST MOST. HIS RELATIONSHIP WITH OPHELIA WORRIES ME BUT I THINK THAT HE IS A STRONG ENOUGH PERSON TO REMAIN RIGHTEOUS. I THINK HE IS UNSURE ABOUT THE TRUTHFULNESS OF MY WORDS REGARDING MY MISSION BUT SOON HE WILL SEE THAT I SPEAK THE TRUTH. HE JUST NEEDS MORE TIME. ALSO HIS FASCINATION WITH COMPUTERS MUST BE OBSERVED. THE INTERNET HAS BEEN KNOWN TO CORRUPT AND IT WILL BE KNOWN FOR THE SAME AGAIN.

General Nelerag

He is a fine upstanding moral member of society who has fallen by the wayside and must be brought back to see the light. I feel pity for him. His career was his life but he cant let go of the past. I will show him God and let it be his path to redemption.

Julia Mosait

That BITCH.... Leave me the hell alone.

ADVANTAGES

- Beautiful
- Sex Appeal
- Trained by a master (see notes)
- Combat reflexes
- Perfect balance
- Cool (as ice)
- Strong will

DISADVANTAGES

- Excommunicated
- Technologically inept
- Reputation (religious, see notes)
- Enemy (a rival of your Tibetan master)
- Bad chat up lines (not that you notice this)
- Extravagance (flounciness, flowery, show off etc.)
- Fragile
- Compulsive Vowing

SKILLS

- Staff Misses only on a critical failure
Staff Dmg: Swinging 2D
Thrusting 1D+1
- Medicine 10
- Gymnastics 12
- Taoism/Philosophy 13

Notes

A Med. drop out you soon found solace in religion, before you staged a “peaceful” sit in protest against the ban on female members of the clergy. This “peaceful” protest developed into a riot resulting in the damage of church property. You were promptly excommunicated and your identity made known to all catholic figures. You are forbidden to tread on church grounds until you show some signs of remorse for your actions...which isn't likely to happen any time soon.

After your excommunication you left the country and headed for Tibet to find “Illumination”. This came in the form of Taoism philosophy and martial arts, centring on the use of the staff at which you are extraordinarily adept, but despite your strength in attacking you are very fragile and when you fall, you fall hard. However your time spent in the mountains of Tibet being trained by a master has left you with no use or even understanding for current technology, save your extendible staff. Your experience in Tibet has not humbled you, however, as you are still as extravagant as you ever were. Twirling your stick is beginning to become something of a habit. Also since your experience in Tibet you treat contemporary religion, especially Catholicism, as a joke and ultimately a foolish pursuit.

You are very attracted to Xan and will pursue him aggressively until he shows some interest in you, despite your incredibly awful chat up lines which you think are excellent.

You dress in a Gothic/Blade fashion, wearing a black full-length trench coat. You are about 5'9 tall with long blonde hair and dark roots tied in a ponytail. This group, despite their oddities are your friends, and you trust them wholly. Nowadays you act as a Mercenary for hire.

For a basic overview: if you were a star wars character and force adept, you would be a formidable lightsaber opponent. Darth Maul had better run.

Your thoughts on the other characters:

Cash Riverrode

Yeah Cash is ok by me. He helped me out when those Christian freaks were pestering me and when I came back from Tibet, even though I didn't need him by then. I like him though.

Ophelia Grosskopf

I remember her from college. She was the weird girl. She was a friend of Cash's back then as well. Stupid kid, what the hell was she doing in college at her age. She probably even thinks she's smarter than me!!! Well she's not you know! I've made a vow that she isn't

Xan Pheobei

Oooooohh! He's so gorgeous. I want him. If only he'd lighten up a little bit and stop all this nonsense about monsters and the undead. I still think he's great and he will be mine (oh yes, he will be mine).

General Nelerag

He's a bit of a freak. Why the hell does a man of his age go round in fancy dress all the time. He thinks he's in the Military!?!? Pah! They wouldn't let also freaks like him in the Military.

Charles Kant

Charles is nice enough. He drinks just as much as "The General does" but it doesn't seem to affect him, strange that. Well he may be rich and all but I could still kick his ass.
