You are the embodiment of the concept of time. You are eternal and powerful. There are limits to your power, however. You need others to help you focus the power in an effective manner.

Details:

You became aware. At some point someone started marking out intervals between events, and you became aware. You began to sense others like you, some older and some younger. You first took form when the first Dominion was created. You were selected to be the final determinant of whether a Dominion should or should not exist. Your task was to be impartial as the others presented their cases to you, then the votes were tallied and you broke any deadlocks.

Many Domains have come and gone under your watch. The precedent of the way a domain works is that a spirit of some sort is drawn to a place and then is able to draw enough power to it to carve out a space for it in the space beyond the Real. In the event of the death of the founding spirit, the domain typically fades and its energies becomes part of the Other Space, taking all that is contained within and connected to it.

While you do judge beings for their ability to hold a realm together, you typically do not make Moral Judgments, as you are beyond Morality as most beings know it. You have been asked in the past to judge cases of Morality and you tend to be cold and dispassionate, using hard evidence and applying a sentence that fits the crime. This is infrequent and usually only undertaken when there are other Greaters involved.

You tend to be moderately friendly when you are not performing your duties but can be very distant when you are working.

Character Information Sheet

Recent Events

You have been informed of the death of the Rose Queen by your brethern. Normally this would not warrant a visit to her domain; however the subjects wish to preserve their world by the coronation of a new Queen. You are here to determine whether or not to proceed with the coronation or let the Dominion die.

If the Dominion is to die, you can offer a quick death over a long and lingering one, at the unanimous request of the Denizens.

The other option is to coronate a new monarch of the Dominion. There is a process to do so which has the following steps.

Forming the Jury: Selection of the Jury from Greater Powers present or those who are denizens of the realm.

Have the candidates presented for nomination.

The compulsion: This is the process by which you extract a secret that has been hidden or unknown by the subject.

The Vote: The Jury votes upon the candidates, eliminating all but one.

The coronation: This ties the new Monarch to the Dominion forever, severing their ties to the Real.
